Sacred Heart School

NOVEMBER 2008

Principal's Pen –

November is the beginning of the holiday season as well as the beginning of the Winter Sports season. We also need to remember to change our clocks on November 2 as Daylight Savings Time ends. Our 4th grade students will be attending mass with all the Ft. Wayne 4th graders on November 4 at the Cathedral in downtown Ft. Wayne. They will be dressing as their favorite saint and enjoying the celebration of mass with the Bishop.

The Recycling **Used Shoe Drive** continues through November 21. Please send/bring your shoes for recycling to the school. Boxes are located in the old entrance to the church. Please tie or rubberband shoes together.

Please remember **Our Father's House Food Drive** with items of Stuffing Mix, Instant Mashed Potatoes, Canned Cranberry Sauce, Canned Vegetables, Evaporated Milk and Pumpkin Pie Mix. Other non-perishable items are also appreciated.

Sacred Heart Students are Busy People!

At the end of September, Sacred Heart 6th grade students made the annual trek to the Indiana Dunes for their Outdoor Science study. Seventeen students and seven adults enjoyed learning about the habitats of animals and plants indigenous to northern Indiana. Even more than the wildlife study, students feel that it is a “bonding opportunity” for classmates. They get to know each other by working, playing and living together.

Grade 4 students have been busy with performing a water study in conjunction with Grace College. They are looking at water quality in the various lakes and streams in Kosciusko County. Additionally, they made their annual outing to “Back to the Days of Kosciusko” at the fairgrounds, and spent time learning about pioneer times in our own area.

Spanish studies have begun for students PK- grade 3. These students meet after school on Tues. and Wed. with teacher, Mrs. Alina Willig.

We want to thank Suzanne Deitsch who is our Volunteer Coordinator for HASA. She has had great response for the recess and lunch assistance. We would like to let everyone know that volunteering for playground and lunch duty needs to be for volunteers who do NOT have younger siblings they have to bring with them. It is really difficult to be safe-guarding playground children and still have a watchful eye on your pre-schooler. If you are unable to continue with playground supervision for this reason, please contact Suzanne to volunteer in another way OR if you ARE available to help with lunch or recess supervision please contact Suzanne at 269-4737. Your help is greatly appreciated!

Thanks to Mrs. Selig, who helped with Picture Day. Everyone had smiling faces, and great pictures (We hope!) Picture re-takes are scheduled for Tuesday November 25th
