FYI:

We have the Stations of the Cross this Friday at 12:30. We begin the Terra Nova testing this week. It is a standardized test which prepares the students for taking the ISTEP in 3rd grade. The students will be testing over material learned in 1st grade. Please make sure your child eats breakfast each morning, gets plenty of sleep, and they will be allowed to have water bottles on their desk during the testing, so if your child wants to have water, please send a water bottle in with them. Thank you for everything you do for your child and let's make it a great week with Terra Nova! Show and tell this Friday will be an item with a compound word.
